Sir,

Adverting to the Government Order No R 13269/Ml 202-20-2 dated 27th May 1921 sanctioning the levy of toll in the Chital-drug Town on the carts entering the ---- Municipal limits and calling for separate proposals in respect of the two questions i e that no "through" traffic should be taxed by the Municipal Council and that a portion of the income of the Municipal Toll Gate should be made over to District Funds I have the honor to state as ---- follows -

As regards the first question that no through traffic should be taxed, it may be stated that the question is not easy of solution The toll authorized under the Municipal Regualtion is a tax on the articles consumed in the town, through traffic claiming exemption from it This principle is not always observed though the levy has been sanctioned by Government on

5 I recommend that the resolution of the District Board may kindly be sanctioned

6 Copies of the resolution of the District Board and the Municipal Council on the subject is enclosed herein for reference

(i) Tolls imposed are moderate in amount

(ii) They are levied only on later vehicles not paying municipal taxes

(iii) The revenue derived from tolls is expended exclusively on the construction and maintenance of Municipal roads or in payment of the interest of Capital expended on such roads—

30/1 The Municipal Council have agreed to pay ½" of the Octl revenue to the D.B.B. over the tolls they have executed

A refund of Municipal taxes is to be made (Clause III, Sec 5, Hygiene Municipal Regulation) since the taxes thus collected go to the Municipal Coffers, they can be spent only under the provisions of the Municipal Regulation. There is nothing in this Regulation to justify the payment of a portion of the Municipal taxes collected to the Rs Board. On the other ~~hand the Municipal taxes collected by the Board, should be paid to the Municipal funds~~ Sec 52 says that all funds received by the Municipal Council shall be applied within the limits of the Municipality
